FOR IMMEDIATE RELEASE:

Alsip, IL - December 2012 - GC America Inc. is pleased to introduce a second generation in fit checking material, FIT CHECKER™ ADVANCED and FIT CHECKER™ ADVANCED BLUE. Following years of clinical success with FIT CHECKER™ and FIT CHECKER™ II, this next generation fit checking material incorporates new and improved features and benefits:

- Vinyl PolyEther Silicone, not affected by saliva
- Excellent detail and accuracy
- Minimal film thickness
- Optimal flowability
- Sharp setting
- Excellent transparency for easy checking

FIT CHECKER™ ADVANCED BLUE is also indicated for checking occlusal contact. The blue color allows for checking fit of all ceramic dental restorations.

For more information on GC America and its complete product line, please visit www.gcamerica.com.
