FOR IMMEDIATE RELEASE:

COE FOAM™ II
Germicidal Cleaner/Surface Deodorant
New and Improved Formula!

Alsip, IL – July 2013 - GC America Inc. is excited to announce the new and improved formula of COE FOAM™ II, a rinseless, dripless, foaming germicidal cleanser and deodorant suitable for cleaning wood, stainless steel, porcelain and chrome. It effectively penetrates grease, grime and dirt. This ozone-friendly aerosol also cleans and sanitizes hard, washable surfaces without rinsing.

The EPA compliant COE FOAM™ II is formulated to disinfect inanimate hard surfaces and deodorizes those areas which generally are hard to keep fresh smelling. This product demonstrates effective disinfection against Legionelle Pneumophila and is virucidal against HIV-1 (AIDS Virus), Herpes Simplex Virus Type 1 and 2, Canine Parvovirus, Influenza A H1N1.

The improved formula of COE FOAM™ II:

- *Kills more viruses, including MRSA on treated surfaces*
- *Has a cleaner fresh scent*
- *Now offers an enhanced wetting feature for complete disinfecting*

The new COE FOAM™ II is available now from GC America's Authorized Dental Dealers.

For more information on GC America and its complete product line, please visit www.gcamerica.com, contact your local GC America Representative or call toll free (800)323-3386.
